

Report on Mindful Inquiry in Social Research

Usage and Citations

It is cited in 1,555 scholarly papers and books. It is referred to or recommended in about two dozen research textbooks. It is in use in courses in a few dozen universities. And several dozen dissertations refer to it and in some cases are influenced by it in their methodology. I've compiled a list of research textbooks that refer to it and of universities that use it in courses, and attached it as a PDF file.

It's in use not only in the U. S. and Canada and the U.K., but also in France, India, Malaysia, Australia, and South Africa.
